Get A R10,000 Voucher for King Tony and Micro-Tec Tools

Purchase one or more RESA Gas Generators and receive a R10,000 voucher redeemable on King Tony and Micro-Tec Tools.

The **Rehko RESA Gas Generator** range offers compact, efficient power solutions designed for commercial, light industrial, agricultural, and remote applications.

Fuelled by Natural Gas or LP Gas, these units provide a cleaner-burning alternative to diesel while maintaining dependable standby power.

Available units include:

- RESA 14U | 10 kVA Single Phase
- RESA 14T | 10 kVA Three Phase
- RESA 20U | 18 kVA Single Phase
- RESA 20T | 18 kVA Three Phase

Their compact footprint makes them well suited to space-constrained installations, small commercial facilities, agricultural operations, workshops, and backup power applications where gas supply is available.
